

**ASCENT CAPITAL GROUP ANNOUNCES PROPOSED
OFFERING BY MONITRONICS ESCROW CORPORATION OF
\$150 MILLION OF SENIOR NOTES DUE 2020**

FOR IMMEDIATE RELEASE

Greenwood Village, CO - July 11, 2013 - Ascent Capital Group, Inc. ("Ascent" or the "Company") (Nasdaq: ASCMA) announced today that its wholly-owned subsidiary, Monitronics Escrow Corporation (the "Escrow Issuer"), intends to offer \$150 million in aggregate principal amount of 9.125% senior notes due 2020 (the "Notes"), subject to market and other conditions. If the Notes are issued, the proceeds of this offering would be placed into escrow and will be used, together with proceeds of other indebtedness expected to be issued by Ascent and an expected \$225 million new term loan of Monitronics International, Inc., the wholly-owned operating subsidiary of Ascent ("Monitronics"), for the purpose of funding a portion of the purchase price for the previously announced acquisition (the "Acquisition") of Security Networks, LLC ("Security Networks") by Monitronics. In connection with the completion of the Acquisition, the Escrow Issuer would be merged into Monitronics, and Monitronics would assume the Notes (the "Assumption") under its existing Indenture, dated March 23, 2012, pursuant to which its existing 9.125% senior notes due 2020 are outstanding. If the Acquisition is not completed by an agreed upon end date, the proceeds of the offering would be used to make a mandatory redemption of the Notes.

Following the completion of the Acquisition and the Assumption, the Notes would be the senior unsecured obligations of Monitronics and would be guaranteed by all of Monitronics' subsidiaries on the date of the Assumption, including Security Networks and its subsidiaries. Ascent will not be a guarantor of the Notes.

Upon issuance, the Notes and related guarantees will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any other jurisdiction. In connection with the closing of the offering, the Escrow Issuer and Monitronics will agree that, following completion of the offering and the Assumption, Monitronics would file an exchange offer registration statement with the Securities and Exchange Commission to exchange the Notes and related guarantees for identical registered Notes and related guarantees or, under certain circumstances, to file a shelf registration statement with respect to resales of the Notes and related guarantees.

The Notes and related guarantees are being offered only to qualified institutional buyers in reliance on Rule 144A under the Securities Act or, outside the United States, to persons other than "U.S. persons" in compliance with Regulation S under the Securities Act. This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes and related guarantees. Any offers of the Notes and related guarantees will be made only by means of a private offering memorandum. The Notes and related guarantees have not been registered under

the Securities Act, or the securities laws of any other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from registration requirements.
